Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. I am the definition of insanity. Doing the same exact effing thing over and over again and expecting shit to change. Plagued by visions and voices, Rose knows one thing: she doesn't want to hurt anyone anymore. So, in a last-ditch effort to hold on to reality, she settles into a psych ward. Unfortunately, those she meets promise her things they don't exactly deliver, and despite being the girl with the plan, nothing seems to be going her way. Surrounded by betrayal and lies makes it hard to discern reality from make-believe. With no one to trust but herself, Rose must rely on the one person she's never been able to. herself. Immerse yourself into the fragile mind of Rose Hunter, sister to Snow White. An urban fairytale filled with twists and turns, and with a touch of madness.
